At the Reality Conference, students will discover that Christianity matches up with the way the world really is—with reality. We will hear awesome speakers take a look at the origin and design of the universe and life; the existence of truth and morality; the purpose, meaning, and value of human experience; and the life, death, and resurrection of Jesus. These are big topics, and the Bible has big answers!

So join us at the two-day REALITY Conference in Minneapolis and discover why we believe Christianity is the best explanation of the way things are.
