Please read and understand the following:

Serving on a mission trip is not an easy task. You will find yourself challenged and stretched with new opportunities of service. You will be asked to respect your leaders and lovingly work with your mission trip team members. You will be encouraged to show compassion to those around you by placing others before yourself—even when you are tired and worn out. You will need God's grace daily to meet these demands, and your team leaders will be excited to come alongside you each day and see God work.

By signing below, I signify that all the information on the Elevate 2025 Mission Trip Application is true to the best of my knowledge. If my application is accepted, I understand all the requirements that need to be met (meeting requirements and financial requirements) in order to participate on this trip. Failure to meet the listed requirements (found on the Fort Collins Information Sheet) could result in being dismissed from the team as well as being required to pay the balance of the mission trip fee.
