- Participates in all required mission trip fundraising and preparation meetings

**About**

We will be serving with Therefore Go Ministries, an organization that trains churches to host summer mission teams to share the gospel message all throughout their community. Immanuel Church in Fort Collins has established relationships with various local ministries through the area, and our hope is that during our opportunities to serve with these organizations, we can reach into the Fort Collins community with the gospel to bring those in need into Christ's healing grip. After our workdays, we will have evening worship sessions to reflect on what God did during our day. We also have a fun day planned, and teens will have an opportunity to explore the Rocky Mountains! Fort Collins is considered one of the best places to live in Colorado, and we are eager to build relationships with a new community and dive right into being the hands and feet of Jesus.
